A Hm  
There's a light, a certain kind of light,  
D A  
That never shone on me,  
G A  
I want my life to be,  
E D  
Lived with you, lived with you.  
A Hm  
There's a way, everybody say  
D A  
To do each and every little thing.  
G A E D  
But what does it bring, If I ain't got you, ain't got, hey  
A E  
Babe, you don't know what it's like  
D A  
Baby, you don't know what it's like.  
E D  
To love somebody, to love somebody  
A  
The way I love you

In my brain I see your face again  
I know my frame of mind  
You ain't got to be so blind  
And I'm blind, so, so, sorrily blind  
I'm a man, can't you see what I am?  
I live and I breathe for you.  
But what good does it do, If I ain't got you, ain't got, hey.

Reflecting how I feel for you. Thinking 'bout those people then

I know that in a thousand years. I'd fall in love with you again.

This is the only way that we should fly. This is the only way to go.

And if I lose your love, I know I would die.

Oh, say you'll always be my baby, we can make it shine.

We can take forever, just a minute at a time.

Nobody gets too much love anymore  
It's as high as a mountain, And harder to climb.

You and me, girl, Got a highway to the sky  
We can turn away from the night or day  
And the tears we had to cry, You're my life.

I can see a new tomorrow. Everything we own will never die.  
Love is such a beautiful thing, oh When you are to me  
The light above, Made for all to see. Our precious love.
