

## **I just died in your arms tonight**

Oh I, I just died in your arms tonight  
It must have been something you said, I just died in your arms tonight  
I keep looking for something I can't get, Broken hearts lie all around me.  
And I don't see an easy way to get out of this  
Her diary it sits on the bedside table The curtains are closed, the cats in the  
cradle. Who would've thought that a boy like me could come to this

Oh I, I just died in your arms tonight  
It must've been something you said, I just died in your arms tonight  
Oh I, I just died in your arms tonight  
It must've been some kind of kiss, I should've walked away, I should've  
walked away

Is there any just cause for feeling like this? On the surface I'm a name on a  
list, I try to be discreet, but then blow it again.  
I've lost and found, it's my final mistake She's loving by proxy, no give and  
all take 'cos I've been thrilled to fantasy one too many times.

Oh I, I just died in your arms tonight  
It must've been something you said I just died in your arms tonight.  
Oh I, I just died in your arms tonight  
It must've been some kind of kiss I should've walked away, I should've walked  
away

It was a long hot night, She made it easy, she made it feel right  
But now it's over the moment has gone, I followed my hands not my head, I  
knew I was wrong.

Oh i, i just died in your arms tonight  
it must have been something you said, i just died in your arms tonight.  
Oh i, i just died in your arms tonight  
it must have been some kind of kiss, i should have walked away, i should  
have walked away

## **Black Velvet**

Mississippi in the middle of a dry spell  
Jimmy Rogers on the Victrola up high  
Mama's dancin' with baby on her shoulder  
The sun is settin' like molasses in the sky  
The boy could sing, knew how to move, everything  
Always wanting more, he'd leave you longing for

Chorus:

Black velvet and that little boy's smile  
Black velvet with that slow southern style  
A new religion that'll bring ya to your knees  
Black velvet if you please

Up in Memphis the music's like a heatwave  
White lightning, bound to drive you wild  
Mama's baby's in the heart of every school girl  
"Love me tender" leaves 'em cryin' in the aisle  
The way he moved, it was a sin, so sweet and true  
Always wanting more, he'd leave you longing for

chorus

Every word of every song that he sang was for you  
In a flash he was gone, it happened so soon, what could  
you do?

(Solo)

chorus repeats 2x

If you please, if you please, if you please

## Flashdance

First when there's nothing, But a slow glowing dream  
That your fear seems to hide, Deep inside your mind  
All alone I have cried, Silent tears full of pride  
In a world made of steel, Made of stone.

Well, I hear the music, Close my eyes, feel the rhythm  
Wrap around, Take a hold of my heart  
What a feeling, Bein's believin'  
I can have it all, Now I'm dancing for my life  
Take your passion, And make it happen  
Pictures come alive, You can dance right through your life.

Now I hear the music, Close my eyes, I am rhythm  
In a flash, It takes hold of my heart  
What a feeling, Bein's believin'  
I can have it all, Now I'm dancing for my life  
Take your passion, And make it happen  
Pictures come alive ,You can dance right through your life.

## Simply the Best

I call you when I need you, my heart's on fire.  
You come to me, come to me wild and wild.  
When you come to me, - Give me everything I need.

Give me a lifetime of promises and a world of dreams  
Speak a language of love like you know what it means  
Mmm, and it can't be wrong, Take my heart and make it strong, baby.

You're simply the best, Better than all the rest  
Better than anyone, Anyone I've ever met.  
I'm stuck on your heart, I hang on every word you say  
Tear us apart, Baby, I would rather be dead.

In your heart, I see the star of every night and every day  
In your eyes, I get lost, I get washed away  
Just as long as I'm here in your arms, I could be in no better place.

You're simply the best, Better than all the rest  
Better than anyone, Anyone I've ever met  
Ooh, I'm stuck on your heart, I hang on every word you say  
Don't tear us apart, no, no, no, Baby, I would rather be dead.

Each time you leave me, I start losing control.  
You're walking away with my heart and my soul.  
I can feel you even when I'm alone, - Oh baby, don't let go....

D.....

Ooh, you're the best, ooh Better than all the rest  
Better than anyone Anyone I've ever met  
Ooh, I'm stuck on your heart,, I hang on every word you say  
Don't tear us apart, no, no, Baby, I would rather be dead.

## Try

Ever wonder 'bout what he's doing, How it's all turned to lies  
Sometimes I think that it's better, ,To never ask why.

Where there is desire, there is gonna be a flame  
Where there is a flame, someone's bound to get burned.  
But just because it burns, doesn't mean you're gonna die  
You gotta get up and try, and try, and try  
Gotta get up and try, and try, and try  
You gotta get up and try, and try, and try.

Funny how the heart can be deceiving  
More than just a couple times  
Why do we fall in love so easy, Even when it's not right  
Where there is desire, there is gonna be a flame  
Where there is a flame, someone's bound to get burned  
But just because it burns, doesn't mean you're gonna die  
You gotta get up and try, and try, and try  
Gotta get up and try, and try, and try  
You gotta get up and try, and try, and try.

Ever worry that it might be ruined  
And does it make you wanna cry  
When you're out there doing what you're doing  
Are you just getting by  
Tell me are you just getting by, by, by  
Where there is desire, there is gonna be a flame  
Where there is a flame, someone's bound to get burned  
But just because it burns, doesn't mean you're gonna die  
You gotta get up and try, and try, and try  
Gotta get up and try, and try, and try  
You gotta get up and try, and try, and try  
You gotta get up and try, and try, and try  
You gotta get up and try, and try, and try  
You gotta get up and try, and try, and try  
You gotta get up and try, and try, and try  
You gotta get up and try, and try, and try  
Gotta get up and try, and try, and try.  
Roar until it cried, more, more, more  
Now he's back home doing nine to five  
Living his grey flannel life  
But when he turns off to sleep  
Old memories creep, more, more, more  
Itchi gitchi ya ya da da da, Itchi gitchi ya ya here

## If I could turn back time

If I could turn back time, If I could find a way  
I'd take back those words that've hurt you and you'd stay

I don't know why I did the things I did  
I don't know why I said the things I said  
Pride's like a knife, it can cut deep inside  
Words are like weapons, they wound sometimes

I didn't really mean to hurt you, I didn't wanna see you go  
I know I made you cry, but baby  
If I could turn back time, if I could find a way  
I'd take back those words that've hurt you and you'd stay  
If I could reach the stars, I'd give 'em all to you  
Then you'd love me, love me, like you used to do, If I could turn back time

My world was shattered, I was torn apart  
Like someone took a knife and drove it deep in my heart  
When you walked out that door I swore that I didn't care  
But I lost everything, darlin', then and there

Too strong to tell you I was sorry, Too proud to tell you I was wrong  
I know that I was blind and darlin'

If I could turn back time, if I could find a way  
I'd take back those words that've hurt you and you'd stay  
If I could reach the stars, I'd give 'em all to you  
Then you'd love me, love me, like you used to do

If I could turn back time, (If I could turn back time)  
If I could turn back time, (If I could turn back time)  
If I could turn back time, Oh, baby

I didn't really mean to hurt you, I didn't wanna see you go  
I know I made you cry, but

If I could turn back time, if I could find a way  
I'd take back those words that hurt you  
If I could reach the stars, I'd give 'em all to you  
Then you'd love me, love me, like you used to do  
If I could turn back time, if I could find a way  
And maybe, maybe, maybe you'd stay, If I could reach the stars....

## Like a prayer

Life is a mystery, everyone must stand alone  
I hear you call my name, And it feels like home.

When you call my name it's like a little prayer  
I'm down on my knees, I wanna take you there  
In the midnight hour I can feel your power  
Just like a prayer you know I'll take you there.

I hear your voice, it's like an angel sighing  
I have no choice, I hear your voice, Feels like flying  
I close my eyes, Oh God I think I'm falling  
Out of the sky, I close my eyes, Heaven help me.

When you call my name it's like a little prayer  
I'm down on my knees, I wanna take you there  
In the midnight hour I can feel your power  
Just like a prayer you know I'll take you there  
Like a child you whisper softly to me.

You're in control just like a child, Now I'm dancing  
It's like a dream, no end and no beginning  
You're here with me, it's like a dream, Let the choir sing.

When you call my name it's like a little prayer  
I'm down on my knees, I wanna take you there  
In the midnight hour I can feel your power  
Just like a prayer you know I'll take you there  
When you call my name it's like a little prayer  
I'm down on my knees, I wanna take you there  
In the midnight hour I can feel a power  
Just like a prayer you know I'll take you there  
Life is a mystery, everyone must stand alone  
I hear you call my name, And it feels like home.

Just like a prayer, your voice can take me there  
Just like a muse to me, you are a mystery  
Just like a dream, you are not what you seem  
Just like a prayer, no choice your voice can take me there  
Just like a prayer, I'll take you there, It's like a dream to me  
Just like a prayer, I'll take you there, It's like a dream to me  
Just like a prayer, I'll take you there.....

## Die with a smile

I, I just woke up from a dream, Where you and I had to say goodbye.  
And I don't know what it all means, But since I survived, I realized.  
Wherever you go, that's where I'll follow Nobody's promised tomorrow  
So I'ma love you every night like it's the last night  
Like it's the last night.

If the world was ending, I'd wanna be next to you  
If the party was over and our time on Earth was through.  
I'd wanna hold you just for a while, and die with a smile.  
If the world was ending, I'd wanna be next to you. Ooh

Ooh, lost, lost in the words that we scream  
I don't even wanna do this anymore  
'Cause you already know what you mean to me  
And our love's the only war worth fighting for  
Wherever you go, that's where I'll follow  
Nobody's promised tomorrow.  
So I'ma love you every night like it's the last night  
Like it's the last night.

If the world was ending, I'd wanna be next to you.  
If the party was over and our time on Earth was through.  
I'd wanna hold you just for a while and die with a smile.  
If the world was ending, I'd wanna be next to you.

Right next to you, Next to you, Right next to you  
Oh-oh, oh

-----

If the world was ending, I'd wanna be next to you.  
If the party was over and our time on Earth was through.  
I'd wanna hold you just for a while, and die with a smile.  
If the world was ending, I'd wanna be next to you.....  
- If the world was ending, I'd wanna be next to you.  
Ooh, I'd wanna be next to you...

## Stil got the blues

Used to be so easy to give my heart away.  
But I found out the hard way,  
there's a price you have to pay.  
I found out that love was no friend of mine.  
I should have known time after time.

So long, it was so long ago,  
but I've still got the blues for you.

Used to be so easy to fall in love again.  
But I found out the hard way,  
it's a road that leads to pain.  
I found that love was more than just a game.  
You're playin' to win, but you lose just the same.

So long, it was so long ago,  
but I've still got the blues for you.

So many years since I've seen your face.  
Here in my heart, there's an empty space  
where you used to be.

- - - - -

-

So long, it was so long ago,  
but I've still got the blues for you.  
Though the days come and go,  
there is one thing I know.  
I've still got the blues for you.

## Can't buy me love

### The Wall

We don't need no education  
We dont need no thought control  
No dark sarcasm in the classroom  
Teachers leave them kids alone  
Hey! Teachers! Leave them kids alone!  
All in all it's just another brick in the wall.  
All in all you're just another brick in the wall.

We don't need no education  
We dont need no thought control  
No dark sarcasm in the classroom  
Teachers leave them kids alone  
Hey! Teachers! Leave them kids alone!  
All in all it's just another brick in the wall.  
All in all you're just another brick in the wall.

"Wrong, Do it again!"

"If you don't eat yer meat, you can't have any pudding. How can you have any pudding if you don't eat yer meat?"

"You! Yes, you behind the bikesheds, stand still laddy!»

## Time of my life

Now I've had the time of my life, No, I never felt like this before  
Yes I swear it's the truth, And I owe it all to you  
'Cause I've had the time of my life, And I owe it all to you.

I've been waiting for so long  
Now I've finally found someone to stand by me  
We saw the writing on the wall, And we felt this magical fantasy  
Now with passion in our eyes,  
There's no way we could disguise it secretly  
So we take each others hand  
'Cause we seem to understand the urgency, Just remember..  
You're the one thing, I can't get enough of  
So I'll tell you something, This could be love.

Because I've had the time of my life  
No, I never felt this way before, Yes I swear it's the truth  
And I owe it all to you, Hey baby.

With my body and soul  
I want you more than you'll ever know  
So we'll just let it go, Don't be afraid to lose control, no  
Yes, I know what's on your mind when you say  
"Stay with me tonight" (stay with me), And remember  
You're the one thing, I can't get enough of  
So I'll tell you something, This could be love.

Because I've had the time of my life, No, I never felt this way before  
Yes I swear it's the truth, And I owe it all to you.....  
'Cause I've had the time of my life  
And I've searched through every open door (never felt this way)  
Till I found the truth, And I owe it all to you...  
Till I found the truth (you do it to me, baby)  
And I owe it all to you.

## Optimist

Jeg står i mørke og skimter lyset i det fjerne  
Det er så kaldt jeg søker varme fra en stjerne  
Jeg tenker opp når jeg er nede for jeg er en optimist

Jeg har et håp hver gang jeg går omkring i blinde  
Det finnes en sol i oss som snart skal begynne å skinne  
Som får meg opp når jeg er nede om og om og om igjen

Jeg har en drøm at vi tar vare på hverandre  
Og gir det beste i oss selv til alle andre  
Jeg tenker opp når jeg er nede om å om å om igjen

Optimist, jeg vet det går bra til sist  
Så lenge jeg lever her er jeg en optimist  
Jeg er en optimist

Jeg har en tro jeg har ett mål som jeg skal finne  
Jeg har en kraft og det er viljen til å vinne  
Det får meg opp når jeg er nede om og om og om igjen

Vil at livet blir en dans i lyset  
En dans for håpet og en dans for gleden  
En dans i frihet og en dans for freden  
Det skal gååååååååååå

Optimist, jeg vet det går bra til sist  
Så lenge jeg lever her er jeg en optimist

Optimist, jeg vet det går bra til sist  
Så lenge jeg lever her er jeg en optimist

Optimist, jeg vet det går bra til sist  
Så lenge jeg lever her er jeg en optimist  
Jeg er en optimist.

## Smilet i ditt eget speil

Jeg ser du kunne hatt det litt bedre  
Jeg vet du har det vondt, slipper ingen inn på deg.

Små føtter i et iskaldt hav, Hodet under vann, later som om alt er greit  
Elska av de andre, men du elska ikke den du var.  
For gutten inni bildet klarte aldri å finne gode svar.

De sa du dansa på roser. De sa du aldri dro feil  
Men det var en ting du savna Det var smilet i ditt eget speil  
Stupet i havet, I frihet for deg  
Under vann for å skrike, Så ingen kunne høre deg.

Kast maska du har lov til å gråte  
Du skulle sagt ifra, men vet at det er lett å si.

Ikke hør på alle stemmer i hodet, Som sier du er svak, det er lov å ha det  
vanskelig. Elska av de andre men du elska ikke den du var  
For gutten inni bildet klarte aldri å finne gode svar.

De sa du dansa på roser. De sa du aldri dro feil  
Men det var en ting du savna, Det var smilet i ditt eget speil  
Stupet i havet, For frihet for deg  
Under vann for å skrike, Så ingen kunne høre deg.

For du dansa på roser, Dro feil  
Du savna, Smilet i ditt eget speil  
Stupet i havet, For frihet for deg.  
Under vann for å skrike, Så ingen kunne høre deg.

De sa jeg dansa på roser, De sa jeg aldri dro feil  
Men det var en ting jeg savna, Det var smilet i mitt eget speil.

## Beat it

They told him, "Don't you ever come around here"  
"Don't wanna see your face, you better disappear"  
The fire's in their eyes and their words are really clear So beat it, just beat it.

You better run, you better do what you can.  
Don't wanna see no blood, don't be a macho man.  
You wanna be tough, better do what you can  
So beat it, but you wanna be bad.

Just beat it (beat it), beat it (beat it)

They're out to get you, better leave while you can.  
Don't wanna be a boy, you wanna be a man.  
You wanna stay alive, better do what you can. So beat it, just beat it.

You have to show them that you're really not scared  
You're playin' with your life, this ain't no truth or dare  
They'll kick you, then they'll beat you  
Then they'll tell you it's fair  
So beat it, but you wanna be bad.

% Just beat it (beat it), beat it (beat it)  
No one wants to be defeated

## Living on a prayer

Tommy used to work on the docks, union's been on strike  
He's down on his luck, it's tough, so tough  
Gina works the diner all day working for her man  
She brings home her pay, for love, for love  
She says, we've got to hold on to what we've got  
It doesn't make a difference if we make it or not  
We've got each other and that's a lot for love  
We'll give it a shot.

Woah, we're half way there, Woah, livin' on a prayer  
Take my hand, we'll make it I swear, Woah, livin' on a prayer.

Tommy's got his six-string in hock  
Now he's holding in what he used to make it talk  
So tough, it's tough, Gina dreams of running away  
When she cries in the night, Tommy whispers  
Baby, it's okay, someday, We've got to hold on to what we've got  
It doesn't make a difference if we make it or not  
We've got each other and that's a lot for love  
We'll give it a shot.

Woah, we're half way there, Woah, livin' on a prayer  
Take my hand, we'll make it I swear, Woah, livin' on a prayer  
Livin' on a prayer.

Oh, we've got to hold on, ready or not  
You live for the fight when it's all that you've got  
Woah, we're half way there  
Woah, livin' on a prayer  
Take my hand, we'll make it I swear  
Woah, livin' on a prayer  
Woah, we're half way there  
Woah, livin' on a prayer  
Take my hand, we'll make it I swear  
Woah, livin' on a prayer  
Woah, we're half way there  
Woah, livin' on a prayer  
Take my hand, we'll make it I swear  
Woah, livin' on a prayer.

## The Final Countdown

We're leaving together,  
But still it's farewell  
And maybe we'll come back  
To earth, who can tell?  
I guess there is no one to blame  
We're leaving ground (leaving ground)  
Will things ever be the same again?

It's the final countdown, The final countdown  
Oh  
We're heading for Venus (Venus)  
And still we stand tall  
'Cause maybe they've seen us (seen us)  
And welcome us all, yeah  
With so many light years to go  
And things to be found (to be found)  
I'm sure that we'll all miss her so.

It's the final countdown, The final countdown  
The final countdown, The final countdown  
Oh  
The final countdown, oh  
It's the final count down  
The final countdown  
The final countdown  
The final countdown  
The final countdown  
Oh  
It's the final count down  
We're leaving together  
The final count down  
We'll all miss her so  
It's the final countdown  
It's the final countdown  
Oh It's the final countdown, yea

## Flowers

We were good, we were gold, Kinda dream that can't be sold  
We were right 'til we weren't Built a home and watched it burn  
Mm, I didn't wanna leave you I didn't wanna lie  
Started to cry, but then remembered I.

I can buy myself flowers Write my name in the sand  
Talk to myself for hours Say things you don't understand.  
I can take myself dancing And I can hold my own hand  
Yeah, I can love me better than you can.

Can love me better I can love me better, baby  
Can love me better I can love me better, baby.

Paint my nails cherry red Match the roses that you left  
No remorse, no regret I forgive every word you said  
Ooh, I didn't want to leave you, baby I didn't wanna fight  
Started to cry, but then remembered I.

I can buy myself flowers Write my name in the sand  
Talk to myself for hours, yeah Say things you don't understand  
I can take myself dancing, yeah I can hold my own hand  
Yeah, I can love me better than you can.

Can love me better I can love me better, baby  
Can love me better I can love me better, baby  
Can love me better I can love me better, baby  
Can love me better  
Oh, I

I didn't want to leave you I didn't wanna fight  
Started to cry, but then remembered I.

I can buy myself flowers (oh) Write my name in the sand (mm)  
Talk to myself for hours (yeah) Say things you don't understand (never will)  
I can take myself dancing, yeah I can hold my own hand  
Yeah, I can love me better than  
Yeah, I can love me better than you can  
Can love me better  
I can love me better, baby (oh)  
Can love me better I can love me better (than you can), baby  
Can love me better I can love me better, baby  
Can love me better

## Can't Tame her

Don't need no one, she can dance on her own  
Club is closin', but she ain't goin' home.  
Night is still young, where the hell will she go?  
Nobody knows, nobody knows.

Ain't the first time 'cause I've seen her before  
Smell her perfume as she walks through the door  
I wanna know where the hell will she go?  
Nobody knows, nobody-nobody knows.

Refr.: No, you can't tame the girl 'Cause she runs her own world.  
So if she wants to party all night (all night) No, you can't tame her, no.  
And you can't tie her down, When the night comes around.  
Said she gonna party all night (all night) And you can't change her  
Can't blame her, can't tame her .

Can't tame her magic energy She's so magnetic, pulls you in every time.  
(every time) Every time (every time)  
But she don't care, she gonna do what she wants (she wants)  
Because she never needed any reason (reason)  
Yeah, she a girl and she just wanna have fun, ooh-ooh.

Refr.:

And you can't change her  
Can't blame her, can't tame her .

Don't need no one, she can dance on her own  
Club is closin', but she ain't goin' home  
Night is still young, where the hell will she go?  
Nobody, nobody-nobody knows  
Ain't the first time 'cause I've seen her before  
Smell her perfume as she walks through the door  
I wanna know where the hell will she go?  
Nobody knows, nobody-nobody knows (no)

Refr.:  
And you can't change her  
Can't blame her, can't tame her.

## The show must go on

Empty spaces, what are we living for?  
Abandoned places, I guess we know the score  
On and on, does anybody know what we are looking for?

Another hero, another mindless crime  
Behind the curtain, in the pantomime  
Hold the line, does anybody want to take it anymore?  
The show must go on, The show must go on, Yeah  
Inside my heart is breaking, My make-up may be flaking  
But my smile still stays on.

Whatever happens, I'll leave it all to chance  
Another heartache, another failed romance  
On and on, does anybody know what we are living for?  
I guess I'm learning (I'm learning), I must be warmer now  
I'll soon be turning (turning, turning, turning), 'round the corner now  
Outside the dawn is breaking  
But inside in the dark I'm aching to be free.

The show must go on  
The show must go on (yeah yeah)  
Ooh, inside my heart is breaking  
My make-up may be flaking  
But my smile still stays on, .  
Yeah  
My soul is painted like the wings of butterflies  
Fairy tales of yesterday will grow but never die  
I can fly my friends  
The show must go on, yeah  
The show must go on  
I'll face it with a grin  
I'm never giving in  
On with the show  
Ooh, I'll top the bill, I'll overkill  
I have to find the will to carry on  
(On with the show, on with the show)  
Show (show must go on, go on)

## The Loner

### Gimme all your lovin'

I got to have a shot  
Of what you got  
It's oh so sweet  
You got to make it hot  
Like a boomerang I need a repeat  
Gimme all your lovin'  
All your hugs and kisses too  
Gimme all your lovin'  
Don't let up until we're through  
You got to whip it up  
And hit me like a ton of lead  
If I blow my top  
Will you let it go to your head  
Gimme all your lovin'  
All your hugs and kisses too  
Gimme all your lovin'  
Don't let up until we're through  
You got to move it up  
And use it like a screwball would  
You got to pack it up  
And work it like a new boy should  
Gimme all your lovin'  
All your hugs and kisses too  
Gimme all your lovin'  
Don't let up until we're through

## Lady Marmalade

Hey sister, go sister, soul sister, go sister  
Hey sister, go sister, soul sister, go sister  
He met marmalade down in old New Orleans  
Struttin' her stuff on the street  
She said: Hello, Hey joe, you wanna give it a go? Mmm, mmm  
Itchi gitchi ya ya da da, Itchi gitchi ya ya here  
Mocha-choca-lata ya ya, Creole lady marmalade.

Voulez-vous coucher avec moi ce soir?  
Voulez-vous coucher avec moi?  
He sat in her boudoir while she freshened up  
The boy drank all her magnolia-wine  
On the black satin sheets oh I swear he started to freak  
Itchi gitchi ya ya da da, Itchi gitchi ya ya here  
Mocha-choca-lata ya ya, Creole lady marmalade.

Voulez-vous coucher avec moi ce soir?  
Voulez-vous coucher avec moi?, Hey, hey, hey.

Touching her skin feelin' silky smooth  
The colour of cafe au lait  
Made the savage beast inside  
Roar until it cried, more, more, more  
Now he's back home doing nine to five  
Living his grey flannel life  
But when he turns off to sleep  
Old memories creep, more, more, more  
Itchi gitchi ya ya da da da, Itchi gitchi ya ya here  
Mocha-choco-lata ya ya, Creole lady marmalade.

Voulez-vous coucher avec moi ce soir?  
Voulez-vous coucher avec moi?

## Angels

I sit and wait, Does an angel contemplate my fate.  
And do they know, The places where we go  
When we're grey and old,  
'cos I've been told That salvation lets their wings unfold  
So when I'm lying in my bed, Thoughts running through my head  
And I feel that love is dead, I'm loving angels instead.

Refr.:

And through it all she offers me protection  
A lot of love and affection, Whether I'm right or wrong.  
And down the waterfall, Wherever it may take me  
I know that life won't break me, When I come to call  
she won't forsake me, - I'm loving angels instead.

When I'm feeling weak, And my pain walks down a one way street  
I look above, And I know I'll always be blessed with love  
And as the feeling grows, She breathes flesh to my bones  
And when love is dead, I'm loving angels instead

Refr.

And through it all she offers me protection  
A lot of love and affection, Whether I'm right or wrong.  
And down the waterfall, Wherever it may take me  
I know that life won't break me, When I come to call  
she won't forsake me, - I'm loving angels instead.

## Fame

Baby, look at me, And tell me what you see  
You ain't seen the best of me yet  
Give me time, I'll make you forget the rest  
I got more in me, And you can set it free  
I can catch the moon in my hand, Don't you know who I am.  
Remember my name.

Refr.:

Fame, I'm gonna live forever, I'm gonna learn how to fly, high  
I feel it comin' together, People will see me and cry, fame  
I'm gonna make it to heaven, Light up the sky like a flame, fame  
I'm gonna live forever, Baby, remember my name.  
% Remember, remember, remember, remember. %

Baby, hold me tight, 'Cause you can make it right  
You can shoot me straight to the top  
Give me love and take all I got to give  
Baby, I'll be tough, Too much is not enough, no  
I can ride your heart 'till it breaks, Ooh, I got what it takes

Refr.:

Fame, I'm gonna live forever, I'm gonna learn how to fly, high

## **Proud Mary**

Left a good job down in the city  
Workin' for the man every night and day  
And I never lost one minute of sleepin'  
I was worryin' 'bout the way that things might've been  
Big wheel keep on turnin' Ooh, the Proud Mary keep on burnin'  
And we're rollin' (rollin'), rollin', yeah (rollin')  
Rollin' on the river (rollin' on the river).

Cleaned a lot of plates in Memphis  
And I pumped a lot of 'tane down in New Orleans  
But I never saw the good side of the city  
Until I hitched a ride on the riverboat queen  
You know the big wheel keep on turnin' Proud Mary keep on burnin'  
And we're rollin' (rollin'), rollin', yeah (rollin')  
Rollin' on the river (rollin' on the river).  
Say we're rollin' (rollin'), rollin' (rollin') Rollin' on the river (rollin' on the river)

Oh, I left a good job in the city

Rollin' (yeah), rollin' (alright) Rollin' on the river (go 'head now)

## The Climb

I can almost see it, That dream I'm dreaming but  
There's a voice inside my head saying  
You'll never reach it,, Every step I'm taking,  
Every move I make feels, Lost with no direction  
My faith is shaking but I  
Gotta keep trying, Gotta keep my head held high.

There's always gonna be another mountain  
I'm always gonna wanna make it move  
Always gonna be an uphill battle  
Sometimes I'm gonna have to lose  
Ain't about how fast I get there  
Ain't about what's waiting on the other side  
It's the climb.

The struggles I'm facing, The chances I'm taking  
Sometimes might knock me down but  
No I'm not breaking, I may not know it  
But these are the moments that, I'm going to remember most yeah,  
Just got to keep going, And I  
I gotta be strong, Just keep pushing on, 'cause.

There's always gonna be another mountain  
I'm always gonna wanna make it move  
Always gonna be an uphill battle  
Sometimes I'm gonna have to lose  
Ain't about how fast I get there  
Ain't about what's waiting on the other side  
It's the climb (yeah).

There's always gonna be another mountain  
I'm always gonna wanna make it move  
Always gonna be a uphill battle  
Sometimes you gonna have to lose  
Ain't about how fast I get there  
Ain't about what's waiting on the other side  
It's the climb (yeah yeah ea ea)  
Keep on moving, Keep climbing, Keep the faith baby  
It's all about, It's all about, The climb  
Keep the faith, Keep your faith, Whoa oh oh

## Shut up and dance

Oh don't you dare look back, Just keep your eyes on me  
She said shut up and dance with me  
This woman is my destiny, She said oh oh oh  
Shut up and dance with me.

We were victims of the night, The chemical, physical, kryptonite  
Helpless to the bass and the fading light  
Oh we were bound to get together, Bound to get together.  
She took my arm, I don't know how it happened  
We took the floor and she said.

Oh don't you dare look back, Just keep your eyes on me  
I said you're holding back, She said shut up and dance with me  
This woman is my destiny, She said oh oh oh  
Shut up and dance with me.

A backless dress and some beat up sneaks  
My discotheque Juliet teenage dream  
I felt it in my chest as she looked at me  
I knew we were bound to be together  
Bound to be together.  
She took my arm, I don't know how it happened  
We took the floor and she said.

Oh don't you dare look back, Just keep your eyes on me  
I said you're holding back, She said shut up and dance with me  
This woman is my destiny, She said oh oh oh  
Shut up and dance with me.

Oh, c'mon girl  
Deep in her eyes, I think I see the future  
I realize this is my last chance  
She took my arm, I don't know how it happened  
We took the floor and she said.....

Oh don't you dare look back, Just keep your eyes on me  
I said you're holding back, She said shut up and dance with me  
This woman is my destiny, She said oh oh oh  
Shut up and dance with me.

## **We are the Champions**

I've paid my dues, Time after time  
I've done my sentence, But committed no crime  
And bad mistakes , I've made a few,  
I've had my share of sand kicked in my face  
But I've come through.

We are the champions, my friends  
And we'll keep on fighting 'til the end  
We are the champions, We are the champions  
No time for losers, 'Cause we are the champions of the world.

I've taken my bows, And my curtain calls  
You brought me fame and fortune and everything that goes with it  
I thank you all, But it's been no bed of roses  
No pleasure cruise, I consider it a challenge before the whole human race  
And I ain't gonna lose.

We are the champions, my friends  
And we'll keep on fighting 'til the end  
We are the champions, We are the champions  
No time for losers, 'Cause we are the champions of the world..  
We are the champions, my friends  
And we'll keep on fighting 'til the end  
We are the champions, We are the champions  
No time for losers, 'Cause we are the champions  
Of the world

## I'm so excited

Tonight's the night we're gonna make it happen,  
Tonight we'll put all other things aside.  
Give in this time and show me some affection,  
We're goin' for those pleasures in the night.  
I want to love you, feel you. Wrap myself around you.  
I want to squeeze you, please you. I just can't get enough.  
And if you move real slow, I'll let it go.

I'm so excited, and I just can't hide it.  
I'm about to lose control and I think I like it.  
I'm so excited, and I just can't hide it.  
And I know, I know, I know, I know, I know I want you.

We shouldn't even think about tomorrow,  
Sweet memories will last a long, long time.  
We'll have a good time, baby, don't you worry,  
And if we're still playin' around, boy, that's just fine.

Let's get excited, we just can't hide it.  
I'm about to lose control and I think I like it.  
I'm so excited and I just can't hide it.  
And I know, I know, I know, I know, I know I want you, I want you.

-----

Oh boy, I want to love you, feel you, Wrap myself around you  
I want to squeeze you, please you, I just can't get enough  
And if you move real slow, I'll let it go.

I'm so excited, and I just can't hide it  
I'm about to lose control and I think I like it  
I'm so excited, and I just can't hide it  
And I know, I know, I know, I know, I know I want you.

I'm so excited (look what you do to me),  
and I just can't hide it (you got me burning up)  
I'm about to lose control and I think I like it (yeah)  
I'm so excited (how did you get to me?),

### **Perfect**

I found a love for me, Darling just dive right in, And follow my lead  
Well I found a girl beautiful and sweet  
I never knew you were the someone waiting for me.

'Cause we were just kids when we fell in love, Not knowing what it was  
I will not give you up this time.  
But darling, just kiss me slow, your heart is all I own  
And in your eyes you're holding mine.  
Baby, I'm dancing in the dark with you between my arms  
Barefoot on the grass, listening to our favorite song  
When you said you looked a mess, I whispered underneath my breath  
But you heard it, darling, you look perfect tonight.

Well I found a woman, stronger than anyone I know  
She shares my dreams, I hope that someday I'll share her home  
I found a love, to carry more than just my secrets  
To carry love, to carry children of our own  
We are still kids, but we're so in love, Fighting against all odds  
I know we'll be alright this time.  
Darling, just hold my hand, Be my girl, I'll be your man  
I see my future in your eyes.

Baby, I'm dancing in the dark, with you between my arms  
Barefoot on the grass, listening to our favorite song  
When I saw you in that dress, looking so beautiful  
I don't deserve this, darling, you look perfect tonight.

Baby, I'm dancing in the dark, with you between my arms  
Barefoot on the grass, listening to our favorite song  
I have faith in what I see  
Now I know I have met an angel in person  
And she looks perfect  
I don't deserve this, You look perfect tonight.

## **Hip to be square**

I used to be a renegade, I used to fool around.  
But I couldn't take the punishment, and had to settle down.  
Now I'm playing it real straight, and yes I cut my hair.  
You might think I'm crazy, but I don't even care.  
'Cause I can tell what's going on.....  
It's hip to be square, It's hip to be square.

I like my bands in business suits, I watch them on TV.  
I'm working out 'most everyday and watching what I eat.  
They tell me that it's good for me, but I don't even care.  
I know that it's crazy, I know that it's nowhere,  
But there is no denying that.  
It's hip to be square, It's hip to be square  
It's hip to be square, It's hip to be square.

-----  
It's not too hard to figure out , you see it everyday.  
And those that were the farthest out, have gone the other way.  
You see them on the freeway, It don't look like a lot of fun.  
But don't you try to fight it, And an idea who's time has come.

Don't tell me that I'm crazy, Don't tell me I'm nowhere  
Take it from me.  
It's hip to be square, It's hip to be square  
It's hip to be square, It's hip to be square

## **The Story**

All of these lines across my face  
Tell you the story of who I am  
So many stories of where I've been  
And how I got to where I am  
But these stories don't mean anything  
When you've got no one to tell them to  
It's true, I was made for you

I climbed across the mountain tops  
Swam all across the ocean blue  
I crossed all the lines and I broke all the rules  
But baby, I broke them all for you  
Oh, because even when I was flat broke  
You made me feel like a million bucks  
You do, and I was made for you

You see the smile that's on my mouth  
It's hiding the words that don't come out  
And all of my friends who think that I'm blessed  
They don't know my head is a mess  
No, they don't know who I really am  
And they don't know what I've been through like you do  
And I was made for you

All of these lines across my face  
Tell you the story of who I am  
So many stories of where I've been  
And how I got to where I am  
Oh, but these stories don't mean anything  
When you've got no one to tell them to  
It's true, I was made for you

Oh, yeah, well it's true that I was made for you

## **Eye of the tiger**

Risin' up, back on the street, Did my time, took my chances  
Went the distance, now I'm back on my feet  
Just a man and his will to survive.  
So many times, it happens too fast, You trade your passion for glory  
Don't lose your grip on the dreams of the past  
You must fight just to keep them alive.

It's the eye of the tiger, it's the thrill of the fight  
Risin' up to the challenge of our rival  
And the last known survivor stalks his prey in the night  
And he's watchin' us all with the eye of the tiger....

Face to face, out in the heat, Hangin' tough, stayin' hungry  
They stack the odds 'till we take to the street  
For the kill with the skill to survive.

It's the eye of the tiger, it's the dream of the fight  
Risin' up to the challenge of our rival  
And the last known survivor stalks his prey in the night  
And he's watchin' us all with the eye of the tiger.

Risin' up, straight to the top, Had the guts, got the glory  
Went the distance, now I'm not gonna stop  
Just a man and his will to survive.

It's the eye of the tiger, it's the dream of the fight  
Risin' up to the challenge of our rival  
And the last known survivor stalks his prey in the night  
And he's watchin' us all with the eye of the tiger  
The eye of the tiger, The eye of the tiger  
The eye of the tiger, The eye of the tiger.

## **Hotel California**

On a dark desert highway, cool wind in my hair  
Warm smell of colitas, rising up through the air  
Up ahead in the distance, I saw a shimmering light  
My head grew heavy and my sight grew dim  
I had to stop for the night.  
There she stood in the doorway;, I heard the mission bell  
And I was thinking to myself, This could be heaven or this could be Hell'.  
Then she lit up a candle and she showed me the way

There were voices down the corridor, I thought I heard them say...

Welcome to the Hotel California  
Such a lovely place (such a lovely place), Such a lovely face.  
Plenty of room at the Hotel California  
Any time of year (any time of year) you can find it here.

Her mind is Tiffany-twisted, she got the Mercedes bends  
She got a lot of pretty, pretty boys, that she calls friends  
How they dance in the courtyard, sweet summer sweat  
Some dance to remember, some dance to forget  
So I called up the Captain,, 'Please bring me my wine'  
He said, 'we haven't had that spirit here since nineteen sixty-nine'  
And still those voices are calling from far away,  
Wake you up in the middle of the night, Just to hear them say».

Welcome to the Hotel California  
Such a lovely place (such a lovely place), Such a lovely face.  
They livin' it up at the Hotel California  
What a nice surprise (what a nice surprise), bring your alibis.

Mirrors on the ceiling, The pink champagne on ice  
And she said, 'we are all just prisoners here, of our own device'  
And in the master's chambers,, They gathered for the feast  
They stab it with their steely knives,, But they just can't kill the beast....

Last thing I remember, I was Running for the door  
I had to find the passage back to the place I was before  
'Relax' said the night man,  
'We are programmed to receive.  
You can check out any time you like,  
But you can never leave!

**Can't buy me love**

**Bad moon rising**

**I saw her standing there**

**Green River**

Well, take me back down where cool water flow, ye

Let me remember things I love.  
Stoppin' at the log where catfish bite,  
Walkin' along the river road at night,  
Barefoot girls dancin' in the moonlight.

I can hear the bull frog callin' me  
Wonder if my rope's still hangin' to the tree.  
Love to kick my feet way down the shallow water,  
Shoe fly, dragon fly, get back t your mother  
Pick up a flat rock, skip it across Green River.

---

Up at Cody's camp I spent my days, oh,  
With flat car riders and cross-tie walkers.  
Old Cody, Junior took me over,  
Said, you're gonna find the world is smouldrin'  
An' if you get lost, come on home to Green River  
Well, come home.

## **Have you ever seen the rain**

### **He ain't heavy**

The road is long, with many of winding turns.  
That lead us to who, knows where, who knows where?  
But I'm strong, strong enough to carry him - yeah.  
He ain't heavy - he's my brother.

So long we go, his welfare is my concern.  
No burdon is he to bear, we'll get there.

But I know, he would not encumber me.  
He ain't heavy - he's my brother.

If I'm leaving, at all, if I'm leaving, with sadness.  
that everyone's heart, isn't filled with the gladness,  
of love for one another.

It's a long, long road, from which there is no return.  
While we're on the way to there, why not share?  
And the long - doesn't - way - me - down at all.  
He ain't heavy - he's my brother.

## **Chandelier**

Party girls don't get hurt, Can't feel anything, when will I learn?  
I push it down, push it down, I'm the one "for a good time call».  
Phone's blowin' up, ringin' my doorbell, I feel the love, feel the love  
One, two, three, one, two, three, drink, One, two, three, one, two, three, drink.  
One, two, three, one, two, three, drink, Throw 'em back 'til I lose count.

I'm gonna swing from the chandelier, From the chandelier.

I'm gonna live like tomorrow doesn't exist, Like it doesn't exist.  
I'm gonna fly like a bird through the night, Feel my tears as they dry  
I'm gonna swing from the chandelier, From the chandelier.

But I'm holding on for dear life, Won't look down, won't open my eyes  
Keep my glass full until morning light, 'Cause I'm just holding on for tonight.  
Help me, I'm holding on for dear life, Won't look down, won't open my eyes  
Keep my glass full until morning light, 'Cause I'm just holding on for tonight,  
on for tonight.

Sun is up, I'm a mess Gotta get out now, gotta run from this  
Here comes the shame, here comes the shame.  
One, two, three, one, two, three, drink, One, two, three, one, two, three, drink  
One, two, three, one, two, three, drink, Throw 'em back 'til I lose count.

I'm gonna swing from the chandelier, From the chandelier  
I'm gonna live like tomorrow doesn't exist, Like it doesn't exist.  
I'm gonna fly like a bird through the night, Feel my tears as they dry  
I'm gonna swing from the chandelier, From the chandelier.

But I'm holding on for dear life, Won't look down, won't open my eyes  
Keep my glass full until morning light, 'Cause I'm just holding on for tonight  
Help me, I'm holding on for dear life, Won't look down, won't open my eyes  
Keep my glass full until morning light, 'Cause I'm just holding on for tonight  
On for tonight, on for tonight, 'Cause I'm just holding on for tonight.

Oh, I'm just holding on for tonight, On for tonight, on for tonight  
'Cause I'm just holding on for tonight, 'Cause I'm just holding on for tonight  
Oh, I'm just holding on for tonight, On for tonight, on for tonight.

## **What ever you want**

Whatever you want, Whatever you like, Whatever you say  
You pay your money, You take your choice  
Whatever you need, Whatever you use  
Whatever you win, Whatever you lose.

You're showing off, You're showing out  
You look for trouble, Turn around, give me a shout

I take it all, You squeeze me dry  
And now today You couldn't even say goodbye.

I could take you home, On the midnight train again  
I could make an offer you can't refuse  
Whatever you want, Whatever you like, Whatever you say  
You pay your money, You take your choice  
Whatever you need, Whatever you use  
Whatever you win, Whatever you lose.

You're showing off, You're showing out, You look for trouble  
Turn around, give me a shout  
I take it all You squeeze me dry  
And now today You couldn't even say goodbye.  
I could take you home On the midnight train again  
I could make an offer you can't refuse.

Whatever you want, Whatever you like, Whatever you say  
You pay your money, You take your choice  
Whatever you need, Whatever you use  
Whatever you win, Whatever you lose.

## **Shallow** (G)

Intro: Em D/F# G C G D

Tell me somethin', girl, Are you happy in this modern world?  
Or do you need more? Is there somethin' else you're searchin' for?  
I'm fall- -ing, In all the good times I find myself.  
Longin' for change, and in the bad times I fear myself...

Tell me something, boy, aren't you tired tryin' to fill that void?  
Or do you need more? Ain't it hard keeping it so hardcore?  
I'm fall - ing In all the good times I find myself.  
Longing for a change, and in the bad times I fear myself.

Refr.:

I'm off the deep end, watch as I dive in,  
I'll never meet the ground.  
Crash through the surface, where they can't hurt us.  
We're far from the shallow now.

In the sha..., sha-al -low, In the sha - shalla - lala-low,  
In the sha, shallow, We're far from the shallow now. Åh.....

+ Refr.:

## **Min første kjærlighet**

Jeg var ung, og visste alt  
Lo av det som ble fortalt  
Skulle aldri forelske meg  
Men det var før jeg traff deg.  
Glemte alt om tid og sted

Du var alt jeg ville se...

Min første kjærlighet, Gjorde mer for meg  
Enn du noen gang kan forestille deg.  
Min største kjærlighet, Ga jeg bort til deg  
Det fantes bare én av dem i meg.

Det skjer en gang, i alles liv  
Du blir forelska og naiv.  
Alt du ser, er kun din venn  
Sånt hender ikke lett igjen.  
Alt jeg husker er spenninga  
Og følelsen som den ga...

Min første kjærlighet, Gjorde mer for meg  
Enn du noen gang kan forestille deg.  
Min største kjærlighet, Ga jeg bort til deg  
Det fantes bare én av dem i meg.

## Du e den finaste e veit

Det e jaggi me rart koss det kan gå te. Tenk at du går i lag med meg.  
Og om det bles kalt, e eg varm og heit, for du e den finast e veit.  
I granskande skin frå ei gatelykt, ekkje alt - like trygt.  
Og spør du meg no, bli eg heilt i beit: Koffår den finast e veit?

Og når dyna varmar kring oss båe to i mørke natta,  
ska eg kviskre i øyra ditt og svara på koffår du, - e den finast e veit.

-----

Kor eg henta alt motet frå, Kan'kje eg forstå.  
Men ein ting veit eg klart og greit: At du e den finast e veit.

Og når dyna varmar kring oss båe to i mørke natta,  
ska eg kviskre i øyra ditt og svara på koffår du, - e den finast e veit.

-----

*Nei, at eg skulle ha slik tur, det e 'kje te å tru!  
Når alt va slutt, og eg skull gå, ved døra der stod du! -----*

De e jaggi me rart koss det kan gå te. Tenk at du går i lag med meg.  
Og om det bles kalt, e eg varm og heit, for du, - e den finast e veit.

Og når dyna varmar kring oss båe to, i mørke natta,  
ska eg kviskre i øyra ditt og svara på, - koffår du e den finast e veit.

Og når dyna varmar kring oss båe to, i mørke natta,  
ska eg kviskre i øyra ditt og svara på koffår du, - e den finast e veit.

## **I dont wanna miss a thing**

I could stay awake just to hear you breathing  
Watch you smile while you are sleeping, Far away and dreaming  
I could spend my life in this sweet surrender  
I could stay lost in this moment forever  
Well, every moment spent with you, Is a moment I treasure.

I don't wanna close my eyes, I don't wanna fall asleep  
'Cause I'd miss you, babe, And I don't wanna miss a thing  
'Cause even when I dream of you, The sweetest dream will never do  
I'd still miss you, babe, And I don't wanna miss a thing.

Lying close to you, Feeling your heart beating  
And I'm wondering what you're dreaming, Wondering if it's me you're seeing  
Then I kiss your eyes and thank God we're together  
And I just wanna stay with you, In this moment forever, forever and ever

I don't wanna close my eyes, I don't wanna fall asleep  
'Cause I'd miss you, babe, And I don't wanna miss a thing  
'Cause even when I dream of you, The sweetest dream will never do  
I'd still miss you, babe, And I don't wanna miss a thing

I don't wanna miss one smile, I don't wanna miss one kiss  
Well, I just wanna be with you, Right here with you, just like this  
I just wanna hold you close, Feel your heart so close to mine  
And stay here in this moment, For all the rest of time.

I don't wanna close my eyes, I don't wanna fall asleep  
'Cause I'd miss you, babe, And I don't wanna miss a thing  
'Cause even when I dream of you, The sweetest dream will never do  
I'd still miss you, babe, And I don't wanna miss a thing

I don't wanna close my eyes, I don't wanna fall asleep  
'Cause I'd miss you, babe, And I don't wanna miss a thing  
'Cause even when I dream of you, The sweetest dream will never do  
I'd still miss you, babe, And I don't wanna miss a thing.

## Hello

I've been alone with you inside my mind  
And in my dreams I've kissed your lips a thousand times  
I sometimes see you pass outside my door  
Hello, is it me you're looking for?

I can see it in your eyes, I can see it in your smile  
You're all I've ever wanted, and my arms are open wide.  
'Cause you know just what to say  
And you know just what to do  
And I want to tell you so much, I love you....

I long to see the sunlight in your hair  
And tell you time and time again how much I care  
Sometimes I feel my heart will overflow  
Hello, I've just got to let you know  
'Cause I wonder where you are  
And I wonder what you do  
Are you somewhere feeling lonely, or is someone loving you?  
Tell me how to win your heart  
For I haven't got a clue  
But let me start by saying, I love you....

## Davy's on the Road Again

Davy's on the road again, Wearin' different clothes again  
Davy's turnin' handouts down, To keep his pockets clean.

All his goods are sold again, His word's as good as gold again  
Says, if you see Jean now ask her Please, to pity me.

Jean and I we moved along. -  
Since the day down in the hollow.  
When the mind went driftin' on. -  
And the feet were soon to follow.

-----

Davy's on the road again, Wearin' different clothes again.  
Davy's turnin' handouts down, To keep his pockets clean.  
Sayin' his goodbyes again, Wheels are in his eyes again.  
Says, if you see Jean now ask her  
Please, to pity me,

Downtown in the big town. -  
Gonna set you back on your heels.  
With a mouthful of memories. -  
And a load of stickers for my windshield.

*Shut the door, cut the light.  
Davy won't be home tonight.  
You can wait 'til the dawn rolls in.  
You won't see our Davy again.*

## **Highway to Hell.**

Livin' easy, Lovin' free  
Season ticket on a one way ride  
Askin' nothin', Leave me be  
Takin' everythin' in my stride.

Don't need reason, Don't need rhyme  
Ain't nothin' that I'd rather do  
Goin' down, Party time  
My friends are gonna be there too.

I'm on the highway to hell, On the highway to hell  
Highway to hell, I'm on the highway to hell.

No stop signs, Speed limit  
Nobody's gonna slow me down  
Like a wheel, Gonna spin it  
Nobody's gonna mess me around.

Hey satan, Payin' my dues  
Playin' in a rockin' band  
Hey mumma, Look at me  
I'm on the way to the promised land.

I'm on the highway to hell, Highway to hell.  
I'm on the highway to hell, Highway to hell.

Don't stop me  
I'm on the highway to hell, On the highway to hell  
Highway to hell, I'm on the highway to hell  
(Highway to hell) I'm on the highway to hell  
(Highway to hell) highway to hell

(Highway to hell) highway to hell  
(Highway to hell), And I'm goin' down  
All the way, I'm on the highway to hell...

## **We dont talk anymore (C)**

Intr: D 8t

Used to think that life was sweet, Used to think we were so complete,  
I can't believe you'd throw it away.  
Used to feel we had it made, Used to feel we could sail away,  
Can you imagine how I feel today?

Well, it seems a long time ago, You were the lonely one. Em Hm G  
Now it comes to letting go, You are the only one.  
Do you know what you've done?

It's so funny how we don't talk anymore  
It's so funny, why we don't talk anymore?  
But I ain't losing sleep and I ain't counting sheep....

It's so funny how we don't talk anymore. Oh, we don't talk, ooh...

- ----- (We don't talk)

Well, it really doesn't matter to me, I guess your leaving was meant to be It's  
down to you now, you wanna be free.

Well, I hope you know which way to go, You're on your own again Don't come  
crying to me when you're the lonely one.  
Remember what you've done.

Oh, it's so funny how we don't talk anymore.  
It's so funny, why we don't talk anymore.  
But I ain't losing sleep and I ain't counting sheep, No, no, no.

It's so funny how we don't talk anymore, anymore
