

Stay with me till the morning comes

I've heard restless winds, - calling you
Seen the colors in your eyes.
Running wet from troubles deep within.
Leaving comes as no surprise.

Stay with me till the morning comes.
Let me hold you one more time.
Stay with me till the morning comes.
Maybe I can change your mind.

Seems a shame to waste, - a night like this.
Big old moon shining bright.
Come to me and close your distant eyes.
Just until the morning light.

Stay with me till the morning comes.
Let me hold you one more time.
Stay with me till the morning comes.
Maybe I can change your mind.

Time changes everything. Let's leave the past behind
It's not forever. It's just one night at the time

Vers instrumental.....

Stay with me till the morning comes.
Let me hold you one more time.
Stay with me till the morning comes.
Maybe I can change your mind.

Let me stay with you forever

Let me stay with you forever and never let me go.
I will always be your guy, And I want you to know.
If I ever find you on the street with another man.
(Woo)...
I will be sayin': "Can't you understand?"

Let me stay with you forever, I want you by my side.
You and I will be together, if you never run and hide.
If I ever find you, hand in hand with another man.
I will be sayin': can't you understand?

I will always love you...
And I'll be true.
I'll always cry to 'ya.....
Be just for you -u-u-u-u-u.

Let me stay with you forever and never let me go.
I will always be your guy, And I want you to know.
If I ever find you on the street with another man
(Woo)
I will be sayin': "Can't you understand?"
(Woo)
I will be sayin': "Can't you understand?"
(Woo)
I will be sayin': "Can't you understand?"

Love letters straight from your heart

Love letters straight from your heart
Keep us so near while apart.

I'm not alone in the night
When I can have all the love that you write.

I memorize every line
And I kiss the name that you sign.

And darling then I read again
Right from the start.
Love letters straight from your heart.

I memorize every line
And I kiss the name that you sign.

And darling then I read again
Right from the start.
Love letters straight from your heart.

Love letters straight from your heart.

Her kommer vinteren (D)

Er du av typen som aldri blir brun,
og som aldri heller prøver noe særlig på å bli det?
Er du ansett som en kjedelig kujon,
fordi du stort sett ikke gidder å bade?
Har du problemer, med å omgås overdrevent positive folk?
Du ække aleine, vi er mange som har det sånn....

Er du av typen som liker å sitte,
sitte inne å pimpe når sola skinner?
Er du av typen som er svak for sport,
men bare på skjermer og bare når vi vinner?
Da har du problemer i følge peanøtt-hjerne-forbundet
Men du ække aleine, vi er mange som har det sånn....

Folkens jeg kommer med nyheter
jeg må be om absolutt stillhet
Ventetida er over
det kommer til å falle snø i natt
Her kommer vinteren
Her kommer den kalde fine tida
Her kommer vinteren
Endelig fred å få...

Er du av typen som lar deg irritere,
av folk som alltid skal imponere?
Har du et kjøleskap,
har du en TV,
har du alt du trenger for å leve, for...
Her kommer vinteren
Her kommer den kalde fine tida
Her kommer vinteren
Endelig fred å få.

Hvis du kan ta triumfen og misèren, samme ro og samme rygg av stål.

Det handle om å leve. (A)

Vess rett er rett og feil er feil, er det siste ordet sagt
Og så bli trist for tristhets skyld,
kan bli en gråtkvalt kamp om makt
Men ka hjelpe det med tåra då når auan berre ser'
At rett er rett og feil er feil, då kan æ ikkje sei nå' meir.

Førr æ snakke om å leve, æ snakke om å gje
Æ snakke om å ælske, æ snakke om å se
Æ snakke om å sønge så høgt som æ vil
Æ snakke om å gjønge te æ får te det æ vil.

Vess svart e svart og kvitt e kvitt, då e du blind førr alt
Då ser du ikkje lys nå' meir, i varmen blir det kaldt
Du blir ein sjakkmonstrat konstruksjon med pepitarutat sjæl
Vess kvitt førr dæ e berre kvitt, har du slådd live' ditt i hjæl.

Førr det handle om å leve, det handle om å gje
Det handle om å ælske, æ snakke om å se
Det handle om å sønge så høgt som æ vil
Det handle om å gjønge te æ får te det æ vil.

Vess Gud e Gud, og du e Gud e du enno nøydd å be
Så ber du mæ med tomme ord, du spør, men kan æ se
At du stille opp i ein sjakk-armé, men du strides innenfra
Mot svart og kvitt, og rett og feil, før det trur du at man ska.

Men det e nå' ainna å leve, det e nå' ainna å gje
Det e nå' ainna å elske, det e nå' ainna å se
Det e nå' ainna å sønge så høgt som man vil
Der e nå' ainna å gjønge te man får te det man vil

Sånt är livet, sånt är livet (C)

Sånt är livet, sånt är livet
Så mycket falskhet bor det här
Den man förlorar, vinner en annan
Så håll i vännen som du har kär

[Vers 1]

Han om våren, som en vårvind
Min kärlek fick han och allt han t
Men så kom hösten, åhå den kärlek
Han svor var evig, bara dog

[Refräng]

Sånt är livet, sånt är livet
Så mycket falskhet bor det här
Den man förlorar, vinner en annan
Så håll i vännen som du har kär

[Vers 2]

Han fick en annan, jag har sett dem
Han verkar lycklig och hon är ung
Det jag har lärt mig, är just detta
När hjärtat svider, sjung åh sjung

[Refräng]

Sånt är livet, sånt är livet
Så mycket falskhet bor det här
Den man förlorar, vinner en annan
Så håll i vännen som du har kär

Våran katt (C)

Våran katt var traktens skräck
Ilsken och stark och fräck
Ena örat hängde löst
Pälsen var sönderklöst
Misslynt var han dag och natt
Slogs med varenda katt
Hundar flydde för sitt liv
Tassen var som en kniv”.

Han dömdes til Oscar, men alle vi kalla
vår katt for "slosskatt jamt

The One (D)

I saw you dancin' out the ocean
Runnin' fast along the sand
A spirit born of earth and water
Fire flyin' from your hands
In the instant that you love someone
In the second that the hammer hits
Reality runs up your spine
And the pieces finally fit

And all I ever needed was the one
Like freedom fields, where wild horses run
When stars collide like you and I
No shadows block the sun
You're all I've ever needed
Baby, you're the one

There are caravans we follow
Drunken nights in dark hotels
When chances breathe between the silence
Where sex and love no longer gel, oh
For each man in his time, is Cain
Until he walks along the beach
And sees his future in the water
A long, lost heart within his reach

And all I ever needed was the one
Like freedom fields, where wild horses run
When stars collide like you and I
No shadows block the sun
You're all I've ever needed
Baby, you're the one

Don't let the sun go down on me

I can't light no more of your darkness
All my pictures seem to fade to black and white
I'm growin' tired, and time stands still before me
Frozen here on the ladder of my life

[Verse 2]

Too late to save myself from falling
I took a chance and changed your way of life
But you misread my meanin' when I met you
Closed the door and left me blinded by the light

Don't let the sun go down on me (Don't let the sun)
Although I search myself, it's always someone else I see
I'd just allow a fragment of your life (Don't let the sun) to
wander free
But losin' everything is like the sun goin' down on me

I can't find, oh, the right romantic line
But see me once and see the way I feel
Don't discard me just because you think I mean you harm
But these cuts I have, oh, they need love to help them heal

Don't let the sun go down on me (Don't let the sun)
Although I search myself, it's always someone else I see
I'd just allow a fragment of your life (Don't let the sun) to
wander free
But losin' everything is like the sun goin' down on me.

Something About The Way You Look Tonight (F)

There was a time I was everything and nothin' all in one
When you found me, I was feelin' like a cloud across the sun

Well, I need to tell ya how you light up every second of the day
But in the moonlight, you just shine like a beacon on the bay

And I can't explain
But it's somethin' about the way you look tonight
Takes my breath away
It's that feelin' I get about you deep inside
And I can't describe
But it's something about the way you look tonight
Takes my breath away, The way you look tonight

With a smile, you pull the deepest secrets from my heart
In all honesty, I'm speechless, and I don't know where to start

And I can't explain
But it's somethin' about the way you look tonight
Takes my breath away
It's that feelin' I get about you deep inside
And I can't describe
But it's something about the way you look tonight
Takes my breath away, The way you look tonight

The way you look tonight
The way you look tonight
The way you look tonight

I Guess That's Why They Call It The Blues

Don't wish it away
Don't look at it like it's forever
Between you and me I could honestly say
That things can only get better

And while I'm away
Dust out the demons inside
And it won't be long before you and me run
To the place in our hearts where we hide

And I guess that's why they call it the blues
Time on my hands could be time spent with you
Laughing like children, living like lovers
Rolling like thunder under the covers
And I guess that's why they call it the blues.

Just stare into space
Picture my face in your hands
Live for each second without hesitation
And never forget I'm your man

Wait on me girl
Cry in the night if it helps
But more than ever I simply love you
More than I love life itself

Refr.:

Wait on me girl
Cry in the night if it helps
But more than ever I simply love you
More than I love life itself

"Blue Eyes"

Blue eyes
Baby's got blue eyes
Like a deep, blue sea
On a blue, blue day
Blue eyes
Baby's got blue eyes
When the mornin' comes
I'll be far away
And I say

Blue eyes, holdin' back the tears
Holdin' back the pain
Baby's got blue eyes
And she's alone again

Blue eyes
Baby's got blue eyes
Like a clear, blue sky
Watchin' over me
Blue eyes
Ooh, I love blue eyes
When I'm by her side
Where I long to be
I will see

Blue eyes, laughin' in the sun
Laughin' in the rain
Baby's got blue eyes
And I am home, and I am home again

Blue eyes, laughin' in the sun
Laughin' in the rain
Baby's got blue eyes
And I am home again

Daniel

Daniel is travelin' tonight on a plane
I can see the red taillights headin' for Spain, whoa
I can see Daniel wavin' goodbye
God, it looks like Daniel
Must be the clouds in my eyes.

They say Spain is pretty, though I've never been
Daniel said it's the best place that he's heavenly ever seen,
whoa He should know, he's been there enough
Lord, I miss Daniel
Oh, I miss him so much.

Whoa, Daniel, my brother, you are older than me
Do you still feel the pain of the scars that won't heal?
Your eyes have died, but you see more than I
Daniel, you're a star in the face of the sky.

Whoa, Daniel, my brother, you are older than me
Do you still feel the pain of the scars that won't heal?
Your eyes have died, but you see more than I
Daniel, you're a star in the face of the sky.

Daniel is travelin' tonight on a plane
I can see the red taillights headin' for Spain, whoa
And I can see Daniel wavin' goodbye
God, it looks like Daniel
Must be the clouds in my eyes
Oh God, it looks like Daniel
Must be the clouds in my eyes

Can you feel the love tonight?

There's a calm surrender, To the rush of day
When the heat of a rolling wave Can be turned away.
An enchanted moment, And it sees me through
It's enough for this restless warrior Just to be with you.

And can you feel the love tonight?
It is where we are
It's enough for this wide-eyed wanderer
That we got this far
And can you feel the love tonight? (Tonight)
How it's laid to rest?
It's enough to make kings and vagabonds
Believe the very best.

There's a time for everyone, If they only learn
That the twisting kaleidoscope, Moves us all in turn
There's a rhyme and reason, To the wild outdoors
When the heart of this star-crossed voyager
Beats in time with yours.

And can you feel the love tonight?
It is where we are
It's enough for this wide-eyed wanderer
That we got this far
And can you feel the love tonight?
How it's laid to rest?
It's enough to make kings and vagabonds
Believe the very best
It's enough to make kings and vagabonds
Believe the very best.

Let it be

When I find myself in times of trouble,
Mother Mary comes to me
Speaking words of wisdom, let it be
And in my hour of darkness she is standing right in front of me
Speaking words of wisdom, let it be.

Let it be, let it be, let it be, let it be
Whisper words of wisdom, let it be.

And when the broken hearted people living in the world agree
There will be an answer, let it be
For though they may be parted,
there is still a chance that they will see
There will be an answer, let it be.

Let it be, let it be, let it be, let it be
There will be an answer, let it be
Let it be, let it be, let it be, let it be
Whisper words of wisdom, let it be.

Let it be, let it be, let it be, let it be
Whisper words of wisdom, let it be, be.

And when the night is cloudy
there is still a light that shines on me
Shinin' until tomorrow, let it be
I wake up to the sound of music, Mother Mary comes to me
Speaking words of wisdom, let it be.

And let it be, let it be, let it be, let it be
Whisper words of wisdom, let it be
And let it be, let it be, let it be, let it be
Whisper words of wisdom, let it be

A little bit more

When your body's had enough of me
And I'm layin' flat out on the floor
When you think I've loved you all I can
I'm gonna love you a little bit more.

Come on over here and lay by my side
I've got to be touchin' you
Let me rub your tired shoulders
The way I used to do.
Look into my eyes and give me that smile
The one that always turns me on
And let me take your hair down
'Cause we're stayin' up to greet the sun.

And when your body's had enough of me
And I'm layin' flat out on the floor
When you think I've loved you all I can
I'm gonna love you a little bit more.

Got to say a few things that have been on my mind
And you know where my mind has been
I guess I learned my lessons
And now's the time to begin
So if you're feelin' alright and you're ready for me
I know that I'm ready for you
We better get it on now
'Cause we got a whole life to live through.

And when your body's had enough of me
And I'm layin' flat on the floor
When you think I've loved you all I can
I'm gonna love you a little bit more
And when your body's had enough of me
And I'm layin' flat out on the floor

Sylvias mother

Sylvia's mother said Sylvia's busy
Too busy to come to the phone
Sylvia's mother said Sylvia's trying to start a new life of her own
Sylvia's mother said Sylvia's happy
So why don't you leave her alone?
And the operator said 40 cents more for the next three minutes.

Please, Mrs. Avery, I just gotta talk to her
I'll only keep her a while
Please, Mrs. Avery, I just want to tell her goodbye
Sylvia's mother said Sylvia's packing
She's gonna be leaving today.

Sylvia's mother said Sylvia's marrying a fella down Galveston way
Sylvia's mother said Sylvia's happy
So why don't you leave her alone?
And the operator said 40 cents more for the next three minutes
Please, Mrs. Avery, I just gotta talk to her
I'll only keep her a while.

Please, Mrs. Avery, I just want to tell her goodbye
Sylvia's mother said Sylvia's hurrying
She's catching the nine o'clock train
Sylvia's mother said, "Take your umbrella 'cause Sylvia, it's starting to rain
And Sylvia's mother said, "Thank you for calling, and, sir, won't you call back again?"
And the operator said 40 cents more for the next three minutes
Please, Mrs. Avery, I just gotta talk to her
I'll only keep her a while
Please, Mrs. Avery, I just want to tell her goodbye
Tell her goodbye
Tell her goodbye
Tell her goodbye
Please, tell her goodbye

Rockin' all over the world

Oh here we are and here we are and here we go
All aboard and we're hittin' the road, Here we go, R....

Well giddy up and giddy up and get away
We're goin' crazy and we're goin' today, Here we go, R....

And I like it, I like it, I like it, I like it, I li-li-like it.....
Here we go, Rockin' all over the world.

I'm gonna tell your mama what you're gonna do
So come on out with your dancing shoes. Here we go, R....

And I like it, I like it, I like it, I like it, I li-li-like it.....
Here we go, Rockin' all over the world.

Lay down Sally

There is nothing that is wrong,
In wanting you to stay here with me.
I know you've got somewhere to go
But won't you make yourself at home and stay with me?
And don't you ever leave....

Lay down, Sally, and rest you in my arms
Don't you think you want someone to talk to?
Lay down, Sally, no need to leave so soon
I've been trying all night long just to talk to you.

The sun ain't nearly on the rise
And we still got the moon and stars above.
Underneath the velvet skies
Love is all that matters, Won't you stay with me?
And don't you ever leave.

Lay down, Sally, and rest you in my arms
Don't you think you want someone to talk to?
Lay down, Sally, no need to leave so soon
I've been trying all night long just to talk to you.

I long to see the morning light
Coloring your face so dreamily
So don't you go and say goodbye
You can lay your worries down and stay with me
And don't you ever leave.

Lay down, Sally, and rest you in my arms
Don't you think you want someone to talk to?
Lay down, Sally, no need to leave so soon
I've been trying all night long just to talk to you.

Lay down, Sally, and rest you in my arms
Don't you think you want someone to talk to?
Lay down, Sally, no need to leave so soon
I've been trying all night long just to talk to you.

Green River

Well, take me back down where cool water flow, ye
Let me remember things I love.
Stoppin' at the log where catfish bite,
Walkin' along the river road at night,
Barefoot girls dancin' in the moonlight.

I can hear the bull frog callin' me
Wonder if my rope's still hangin' to the tree.
Love to kick my feet way down the shallow water,
Shoe fly, dragon fly, get back t your mother
Pick up a flat rock, skip it across Green River.

Up at Cody's camp I spent my days, oh,
With flat car riders and cross-tie walkers.
Old Cody, Junior took me over,
Said, you're gonna find the world is smouldrin'
An' if you get lost, come on home to Green River
Well, come home

Up around the bend

There's a place up ahead and I'm goin',
Just as fast as my feet can fly.
Come away, come away if you're goin',
Leave the sinkin' ship behind
Come on the risin' wind,
We're goin' up around the bend.... Oh

Bring a song and a smile for the banjo,
Better get while the gettin's good.
Hitch a ride to the end of the highway,
Where the neon's turn to wood.
Come on the risin' wind,,
We're goin' up around the bend.... Oh

You can ponder perpetual motion,
Fix your mind on a crystal day,
Always time for a good conversation,
There's an ear for what you say
Come on the risin' wind,
We're goin' up around the bend. Yeah

Catch a ride to the end of the highway,
And we'll meet by the big red tree,
There's a place up ahead and I'm goin',
Come along, come along with me
Come on the risin' wind,
We're goin' up around the bend.... Yeah

Highway to Hell

Living easy, living free,
Season ticket on a one-way ride
Asking nothing, leave me be,
Taking everything in my stride
Don't need reason, don't need rhyme,
Ain't nothing I would rather do
Going down, party time,
My friends are gonna be there too.

I'm on the highway to hell. On the highway to hell
Highway to hell. I'm on the highway to hell.

No-o stop signs, speed limit,
Nobody's gonna slow me down
Like a wheel, gonna spin it,
Nobody's gonna mess me around
Hey Satan, paid my dues,
Playing in a rocking band
Hey mama, look at me,
I'm on my way to the promised land, whoo!

I'm on the highway to hell. On the highway to hell
Highway to hell. I'm on the highway to hell....

The Last Time

Well I told you once and I told you twice, But ya never listen to my advice.
You don't try very hard to please me, With what you know it should be easy,
Well this could be the last time, This could be the last time
Maybe the last time, I don't know, oh no, oh no.

Well, I'm sorry girl but I can't stay, Feelin' like I do today.
It's too much pain and too much sorrow, Guess I'll feel the same tomorrow.
Well this could be the last time, This could be the last time.
Maybe the last time, I don't know, oh no, oh no.

Well this could be the last time, This could be the last time
Maybe the last time, I don't know, oh no, oh no.

Well I told you once and I told you twice, That someone will have to pay the price.
But here's a chance to change your mind, 'Cause I'll be gone a long, long time
Well this could be the last time, This could be the last time
Maybe the last time, I don't know, oh no, oh no.

This could be the last time oh no.... *Baby the last time...*
To say no more.... *Baby the last time...*

It's All Over Now

Well, baby used to stay out, all night long
She made me cry, she done me wrong
She hurt my eyes open, that's no lie
Tables turn and now her turn to cry
% Because I used to love her, but it's all over now %

Well, she used to run around, with every man in town
She spent all my money, playing her high class game
She put me out, it was a pity how I cried
Tables turn and now her turn to cry
% Because I used to love her, but it's all over now %

Well, I used to wake in the morning, get my breakfast in bed
When I'd gotten worried she'd ease my aching head.
But now she's here and there, with every man in town.
Still trying to take me for that same old clown.
% Because I used to love her, but it's all over now %
Because I used to love her, but it's all over now

Stumblin' In

Our love is alive and so we begin
Foolishly layin' our hearts on the table, - Stumblin' in.
Our love is a flame burnin' within,
Now and then fire light will catch us, - Stumblin' in
Wherever you go, whatever you do,
You know these reckless thoughts of mine.
Are followin' you. I've fallen for you whatever you do,
'Cause baby, you've shown me So many things that I never knew
Whatever it takes, Baby, I'll do it for you.

Our love is alive and so we begin,
Foolishly layin' our hearts on the table, - Stumblin' in
Our love is a flame burnin' within,
Now and then fire light will catch us, -Stumblin' in.

You were so young, Ah, and I was so free
I may have been young but baby, That's not what I wanted to be.
Well, you were the one, Oh, why was it me.
'Cause baby, you've shown me,
So many things that I'd never seen.
Whatever you need, Baby, you got it from me.

Our love is alive and so we begin
Foolishly layin' our hearts on the table, - Stumblin' in
Our love is a flame burnin' within
Now and then fire light will catch us, -, Stumblin' in.

Ah, stumblin' in, mmm, stumblin' in
Now and then fire light will catch us
% Stumblin' in
Oh, stumblin' in, I'm stumblin' in,
Foolishly layin' our hearts on the table
Stumblin' in. %

It's a Heartache

It's a heartache. Nothing but a heartache
Hits you when it's too late, Hits you when you're down.
It's a fool's game, Nothing but a fool's game
Standing in the cold rain, Feeling like a clown.

It's a heartache, Nothing but a heartache
Love him 'til your arms break, Then he let's you down
It ain't right with love to share, When you find he doesn't care for you
It ain't wise to need someone, As much as I depended on - you.

Oh, it's a heartache, Nothing but a heartache
Hits you when it's too late, Hits you when you're down
It's a fool's game, Nothing but a fool's game
Standing in the cold rain, Feeling like a clown.

It ain't right with love to share, When you find he doesn't care - for you
It ain't wise to need someone, As much as I depended on - you.

Oh, it's a heartache, Nothing but a heartache
You love him 'til your arms break, Then he let's you down
It's a fool's game, Standing in the cold rain
Feelin' like a clown , It's a heartache
Love him 'til your arms break, Then he let's you down
It's a fool's game

The Wind Cries Mary (E)

After all jacks are in their boxes.
And the clowns have all gone to bed.
You can hear happiness staggering on down the street
Footprints dressed in red
And the wind whispers Mary.
A broom is drearily sweeping
Up the broken pieces of yesterday's life
Somewhere a queen is weeping
Somewhere a king has no wife
And the wind, it cries Mary.
The traffic lights they turn a blue tomorrow
And shine their emptiness down on my bed
The tiny island sags downstream
'Cause the life that they lived is dead
And the wind screams Mary.
Will the wind ever remember?
The names it has blown in the past
And with its crutch, its old age and its wisdom
It whispers "no, this will be the last"
And the wind cries Mary.

Hey Joe (C)

Hey Joe, where you goin' with that gun of yours?

Hey Joe, I said where you goin' with that gun in your hand,
I'm goin' down to shoot my old lady.

You know I caught her messin' 'round with another man.

I'm goin' down to shoot my old lady.

You know I caught her messin' 'round with another man.

And that ain't too cool.....

Huh, hey Joe, I heard you shot your mamma down

You shot her down now.

Hey Joe, I heard you shot your lady down

You shot her down in the ground, yeah.

Yeah, Yes, I did, I shot her

You know I caught her messin' round, messin' round town.

Yes I did, I shot her,

You know I caught my old lady messin' 'round town.

And I gave her the gun, And I shot her, Alright

Shoot her one more time again, baby

Yeah, Oh, dig it, Oh, alright

Hey Joe Where you gonna run to now, where you gonna go?

Hey Joe, I said Where you gonna run to now, where you gonna go?

I'm goin' way down south Way down to Mexico way

Alright I'm goin' way down South

Way down where I can be free

Ain't no one gonna find me

Ain't no hang-man gonna

He ain't gonna put a rope around me

You better believe it right now, I gotta go now

Hey, Joe, You better run on d

Only sixteen. (F)

She was only sixteen, only sixteen,
But I loved her so.
But she was too young to fall in love,
And I was too young to know.

We'd laugh and we'd sing and do funny things,
And it made our hearts glow.
But she was too young to fall in love, And I
was too young to know.

So why did I give my heart so fast,
It never will happen again
But I was a mere child of sixteen,
I've aged a year since then.

She was only sixteen, only sixteen,
Ooh, with eyes that would glow.
But she was too young to fall in love,
And I was too young to know.

So why did I give my heart so fast,
It never will happen again
But I was a mere child of sixteen,
I've aged a year since then.

Now she was only sixteen, only sixteen,
Ooh, but I loved that girl so.
But she was too young to fall in love,
And I was too young to know
Yes, she was too young to fall in love, And I, I was too
young, - I was much too young to know.

Eve of destruction

The Eastern world, it is explodin'
Violence flarin', bullets loadin'
You're old enough to kill but not for votin'
You don't believe in war, but what's that gun you're totin'?
And even the Jordan river has bodies floatin'...
But you tell me
Over and over and over again, my friend
How you don't believe
We're on the eve of destruction.

Don't you understand what I'm trying to say
Can't you feel the fears I'm feeling today?
If the button is pushed, there's no runnin' away
There'll be no one to save with the world in a grave
Take a look around you boy, it's bound to scare you, boy
And you tell me
Over and over and over again, my friend
How you don't believe
We're on the eve of destruction.

Yeah, my blood's so mad, feels like coagulatin'
I'm sittin' here just contemplatin'
I can't twist the truth, it knows no regulation
Handful of senators don't pass legislation
And marches alone can't bring integration
When human respect is disintegratin'
This whole crazy world is just too frustratin'
And you tell me
Over and over and over again, my friend
How you don't believe
We're on the eve of destruction.

And think of all the hate there is in Red China
Then take a look around to Selma, Alabama
Ah, you may leave here for four days in space
But when you return, it's the same old place
The poundin' of the drums, the pride and disgrace
You can bury your dead, but don't leave a trace
Hate your next door neighbor but don't forget to say grace
And you tell me
Over and over and over and over again, my friend
You don't believe we're on the eve of destruction
No no, you don't believe we're on the eve of destruction.

Tell me

I want you back again
I want your love again

I know you find it hard to reason with me
But this time it's different, darling, you'll see

You got to tell me you're coming back to me
You got to tell me you're coming back to me
You got to tell me you're coming back to me
You got to tell me you're coming back to me

You said we are through before
You walked out on me before

I tried to tell you, but you didn't want to know
This time, you're different and determined to go

You got to tell me you're coming back to me (Oh yeah)
You got to tell me you're coming back to me (Oh)
You got to tell me you're coming back to me (Yeah)
You got to tell me you're coming back to me (Oh yeah)

I wait as the days go by
I long for the nights to go by

I hear the knock on my door that never comes
I hear the telephone that hasn't rung

You got to tell me you're coming back to me (Oh yeah)
You got to tell me you're coming back to me (I'm comin' back home, baby)
You got to tell me you're coming back to me (I'm comin' home, baby, yeah)
You got to tell me you're coming back to me (Oh, comin' home, baby)

My minds eye

I sit here everyday
Looking at the sky
Ever wondering why
I dream my dreams away
And I'm living for today

In my minds eye
Things are clearer than before
Showing me the way
Asking me to stay
I'll never close the door
To all these things and more

In my minds eye
Everybody I know says I'll change, yeh
Laughing behind their hands
I think they're strange
People running everywhere
Running through my life
I couldn't give a care
Because they'll never see
All that I can see
With my minds eye
Aah - ha - ha - ha
Aah - ha - ha
Aah - ha - ha
Aah - ha - ha
Aah - ha - ha
Ha - ha - ha - ha
In my minds eye
